### SUMMARY OF EXPERIENCE

In addition to seeing HMF patients, Dr. Blum is the codirector for chemical dependency at Las Encinas Hospital in Pasadena.

Before joining HMF, Dr. Blum was in private practice in Pasadena, and was the medical director of a convalescent hospital and a transitional care facility.

He has also gained valuable experience as an emergency room physician at USC-LAC Medical Center, Huntington Memorial Hospital, and Santa Teresita Hospital.

Over the years, he has served on the Emergency Room Committee, the Utilization Review Committee, and the Education Committee at Huntington Memorial Hospital.

In addition, he taught new doctors as a clinical instructor at the Huntington Internal Medicine Residency Program.

### MEMBERSHIPS

- American Society of Addiction Medicine
- American Society of Internal Medicine
- California Medical Society
- California Society of Addiction Medicine
- Los Angeles County Medical Association

### ON A PERSONAL NOTE

Outside the office, Dr. Blum is something of a movie buff. He enjoys photography, and has taught himself digital retouching using Photoshop.

He plays piano, mostly classical compositions and chamber music.
