Prior to that she was a clinical faculty member in the Division of Primary Care Pediatrics at UCLA.

ON A PERSONAL NOTE

A native of Oklahoma, Dr. Knauss grew up in Ann Arbor, Michigan. Her years at the University of Michigan made her “a *huge* Wolverine fan.”

Dr. Knauss recently completed her second term as a member of the board of directors for Young & Healthy, a program that gives uninsured and underinsured Pasadena-area children access to quality health care.

She’s been a volunteer doctor on several medical missions to Sierra Leone, and has led summer service projects in South Los Angeles through her church.

Dr. Knauss and her husband have four children. Outside the office she enjoys reading, cooking, hiking and cross country skiing.
